- Partnership with VSP for vision

## Strengths

- 50+ years of experience
- Oral Wellness Programs
- Strong Federal and Government programs

## Notable

# How do we win?

## **Pricing/Plan Design**

Position strength of the effective discount of the Delta Dental network.

“Right” or “Sought After” providers

Service response

Highlight the patient protections built into our plans and provider contracts

Proactively explain and illustrate shared savings arrangement if available.

## **Competitive Intelligence**

Push for a FI quote – aggressive claims savings projections not always substantiated by FI rates

Provide a detailed list of plan modernization recommendations with rationale and factors

Provide overview of new plan features (Unlimited Maximum, P&D Waiver, etc)

Be more aggressive out the door with rate guarantees

For self-funded opportunities, show savings

## **Technology & Processes**

Do something different – e.g., refreshed ortho max, proactive network growth PG, effective discount performance guarantee?

Emphasize digital servicing capabilities

Inclusive solutions for a diverse workforce

Member communications and employer microsite

Mobile/Onsite, Teledentistry, etc.

Integration with third-party technology firms (and any credits that may be available)
